

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

3A COMPOSITES AIREX AG

KAM Aerospace & Defense

High-performing and sustainable core materials. Pioneers in sandwich technology developing strong and solid, lightweight core materials, which allow manufacturing more durable, sustainable and energy-efficient end products for customers.

www.3accorematerials.com/en/

Switzerland

3P PRODUITS PLASTIQUES PERFORMANTS (ICM INDUSTRIE GROUP) new

Aeronautic Sales Manager

Design, development, manufacturing of high-performance plastic and composite solutions

www.3pcorporate.com

France

49SUD

new

Communications Manager

Design office and prototyping workshop specializing in clean mobility: R&D, design and manufacture of composite structures, design, manufacture and testing of propulsion chains

<https://www.49sud.com/>

France

ADDCOMPOSITES OY

new

Sales Engineer

Addcomposites provides digital automation solutions for composite manufacturing.

<http://addcomposites.com>

Finland

AERIADES CLUSTER AÉRONAUTIQUE - SPATIAL - DÉFENSE GRAND EST

Administrator

Cluster leading and representing the aeronautics, space and defense sector in the Grand Est region, bringing together more than 80 members, industrialists, economic, education and innovation players.

www.aeriades.org

France

AFC-STAB

President

Molds & Models Manufacturer

www.afc-stab.com

France

AIRBORNE COMPOSITES BV

new

Business Development Manager

Advanced Automation solutions for Composite manufacturing processes

www.airborne.com

The Netherlands

AIRBUS ATLANTIC TECHNOCENTRE

new

Head of the Technocentre

The Airbus Technocentre Nantes offers innovative services for: layup of composite parts, the production of composite part demonstrators, training in composite professions, repair of structural parts

<https://atlantic.airbus-technocentre.com/>

France

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

AIRTECH EUROPE SARL

Technical Sales Manager - Western Europe & North Africa

Airtech Europe SARL is a division of Airtech Advanced Materials Group, the largest manufacturer of vacuum bagging and composite tooling materials for prepreg/autoclave, resin infusion, and wet lay-up processes up to 799°F (426°C) .

www.airtech.lu

Luxembourg

ALTHEORA

Sales Director

Transformation of composite materials and polymers, European leader in the design and manufacture of new generation parts meeting current and future challenges of the industry such as low-carbon mobility and the smart city.

<https://www.altheora.com/>

France

AMETEK SAS - DIVISION CREAFORM

Account Manager South-West

Design and manufacture of portable and automated 3D measurement solutions.

www.creaform3d.com

France

AOC AG

new

Account Manager

AOC is the leading global supplier of specialty formulations and solutions which enable customers to create robust, durable, and versatile products and components for applications in Coatings and Protective Barriers, Colorants and Visual Effects, Adhesives and Specialties, and conventional Composites. With strong capabilities worldwide in manufacturing and science, the company works closely with customers to deliver unrivaled quality, service, and reliability for today and create innovative solutions for tomorrow.

<https://aocformulations.com/>

Switzerland

APPLICATIONS COMPOSITES

Director

Production of your products in composite materials - Composite tools - Composite parts - Technical container.

www.applicationscomposites.fr

France

ARKEMA FRANCE

Director business development

The Arkema group offers innovative and tailor-made solutions for ever more efficient composites for aerospace, automotive, nautical, sports equipment and wind power.

www.arkemagroup.com

France

ARMACELL BENELUX S.C.S.

Business Development Manager Sales

Manufacturing, selling & marketing of PET-based foam cores for the composites industry, Producing & selling post-consume PET granules (intermedial product with the PET foam care production process)

<https://www.armacell.com/>

Belgium

AVEL ROBOTICS

Sales Manager

Design and manufacture of composite parts in A.F.P. Assembly of composite parts. Manufacturer for the naval and aeronautical sectors. Leader in the manufacture of hydrofoils for ocean racing.

www.avelrobotics.com

France

AVIACOMP - SOGECLAIR

Head of 3D printing department

Company specializing in the design and manufacture of complex parts in composite thermoplastic.

www.aviacomp.fr

France

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

AXIOME Manager Company specializing in the design and manufacture of innovative robotic solutions in the field of industrial engineering. www.axiome.com <i>France</i>	BODO MÖLLER CHEMIE FRANCE Senior Technical Sales Manager Distribution of technical adhesives for the "mobility" sector (transport, maritime, etc.); Composite activity: carbon fabric, Kevlar, aramid. MMA, Epoxy 1 and 2K, PU 1 and 2K adhesives, PP and PE bonding without surface preparation, etc. www.bm-chemie.fr <i>France</i>
BAYAB INDUSTRIES President Scientific and industrial development of abrasive water jet machining processes, manufacturing of machining machines and robots. www.bayab.fr <i>France</i>	BORFLEX SERVICES <i>new</i> Site Director Design and manufacturing of composite parts for all applications. We master several types of processes to meet all requirements. www.borflex-group.com <i>France</i>
BENE MECANIQUE SOLUTIONS Managing Director Machining. Industrial integrator. www.bene-solutions.com <i>France</i>	BÜFA COMPOSITE SYSTEMS BENELUX BV Account manager Benelux & North of France Büfa is a supplier of machinery, resins, and gelcoats. Büfa specializes in the specialty resin and gelcoat range (e.g., fireproof, railway, and marine). www.buefa-composites.com/fr/ <i>The Netherlands</i>
BIESSE FRANCE <i>new</i> Regional Sales Manager Systems and machines for machining wood, glass, stone, metal, plastic and composite materials for the furniture, housing and construction, automotive and aeronautics sectors. www.biesse.com <i>France</i>	CARBON AXIS <i>new</i> President Design and manufacturing of robotic fiber placement cells (AFP) and AFP effectors. Programming software for AFP process www.carbon-axis.com <i>France</i>
BJS COMPOSITES GMBH Executive Partner & Co-founder Ceramic fiber reinforced SiC composites components - mainly based on carbon - and SiC fibers, prototyping, small series, other ceramic materials & components - all designed for high-temperatures, high mechanical stresses and aggressive media. www.bjscomposites.com <i>Germany</i>	CARBON WATERS <i>new</i> Business developer innovation Producer of advanced graphene-based materials and designer of performance additives www.carbon-waters.com <i>France</i>

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

CARPENTER SAS

R&D, Innovation Manager

Transformation of fibrous and cellular products. Main functions targeted: acoustics, thermal, seals, packaging, protection, cladding parts in transport

www.carpenter.com

France

CATO COMPOSITES

Business Development Manager

Manufacturing solutions for CFRTP products ranging from 1.000 up to 100.000 parts. Empowering lightness with thermoplastic composites.

www.cato-composites.com

The Netherlands

CEAD BV

Sales Engineer

CEAD specializes in large-scale 3D printing for industry. Since 2014, we have been developing innovative solutions for manufacturing very large parts quickly, flexibly, and precisely.

www.ceadgroup.com

The Netherlands

CERO

SALES BUSINESS DEVELOPER

Study and production of tools for the production of composite parts

www.cero.fr

France

CETIM

Materials and Processes Sales Manager

French center of mechanical expertise. A major player in the deployment of the industry of the future, it is also a high-tech service ETI with international reach

www.cetim.fr

France

CEVOTEC GMBH

Sales Manager

Lay-up automation equipment for complex composites

www.cevotec.com

Germany

CHEM-TREND FRANCE S.A.S.U.

Technical & Composites Manager /

Chem-Trend is a world leader in high-performance release agents.

www.chemtrend.com

France

CHOMARAT TEXTILES INDUSTRIES

new

Head of Glass Composites Activity

Technical reinforcements (glass, aramid, carbon) specially designed to meet the requirements of different composite processes in a wide variety of applications.

www.chomarat.com

France

CLAYENS

Aerospace Thermoset Industry

Specialist in the transformation of high-performance polymers, composites and precision metal parts

<https://www.clayens.com/>

France

CMP COMPOSITES

new

CEO

A specialist in innovation in composite materials, CMP Composites develops and produces technical parts for the aeronautics, space and defense sectors, as well as for various innovative industries.

www.cmpcomposites.fr

France

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

CMS FRANCE

CEO

Construction of CNC machining centers for composite materials and plastics, construction of thermoforming presses and waterjet cutting centers.

www.cms-france.fr

France

CORIMATEC

Sales Director

Design and manufacture of tools and parts from models, plans or digital data (metal or plastic). Lorient site specializing in electroforming; Toulouse site dedicated to the manufacture of composite and silicone molds.

<https://corimatec.com/>

France

COMPOSITEC

Sales manager

Experts in composite technologies for over 40 years, Composittec designs, manufactures and paints high-performance technical parts, combining lightness, strength and mechanical performance to meet the industrial challenges of our customers.

<https://www.composittec.eu/>

France

CREASTYL

Site Director

Design and engineering office: 3D cutting and machining, three-dimensional measurement, 3D scanning and reconstruction, models, molds, pre-series and industrialization.

www.groupepr.fr

France

COMPOSITES BUSCH SA

Business Development Manager Aerospace & Mobility

Busch Composites is a company of the Busch Group, a world leader in vacuum technologies. Rapid prototyping - Powder sintering - High-performance composite parts - Laser engraving.

www.compositesbusch.ch

Switzerland

CURVE WORKS

Director

Manufacturer of composite kits for large structural applications such as moulds, boat hulls and superstructures, architecture and prototyping using adaptive moulds.

www.curveworks.nl

The Netherlands

COMPOSITES DISTRIBUTION / GROUPE GAZECHIM

Aero and MRO Sales manager

High performance composite materials (silicon glass, carbon, aramid, silica fabrics)

www.composites-distribution.com

France

DANOBAT

Managing Director DANOBAT FIBRA

Advanced machining solutions for critical components of the landing gear and aircraft engines (rotor, stator and main shafts) are supplied to OEM-s and the leading airlines world-wide.

www.danobat.com

Spain

DAXEN

CEO

Manufacturing and maintenance of autoclaves. Hydraulic testing.

www.daxen.fr

France

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

DEMGY GROUP

Deputy Managing Director - Demgy Atlantique

Processor of all technical (TP-TD) and high-performance polymers. Injection of technical and appearance parts, optical injection, bi-material injection and overmolding of inserts; Machining, Stamping of thermoplastic matrix composite...

<https://www.demgy.com/fr/>

France

DEPESTELE SARL / TEILLAGE VANDECANDELAERE

Sales Manager

Flax processing. Design, manufacture and marketing of flax reinforcements.

www.groupedepestele.com

France

DIAB SA

new

Aerospace Business Development Manager

For 75 years, Diab has been at the forefront of the development of foam core materials and sandwich technology.

www.diabgroup.com

France

DIAGER INDUSTRIE

new

Sales Manager

Diager Industrie specializes in the design and manufacture of cutting tools

www.diager-industrie.com

France

DIALEX SAS

Sales Manager

Specialists in technical fabrics and composite material transformation processes.

www.diatex.com

France

DMM - CLM

Sales Manager

Specialist in the study, production and repair of large-scale molds (up to 50 tonnes and 6 meters in length) intended for the transformation of plastics and composites

www.dmm.fr

France

DOPAG FRANCE

Sales Manager for the West Sector

Precision distribution and dosing of single and multi-component viscous and pasty liquid products

www.dopag.fr

France

DUKANE IAS FRANCE

new

Director

Dukane is a global supplier of plastic assembly systems

<https://www.dukane.com/>

France

DUQUEINE ATLANTIQUE

Supply and Customer Relations Manager

Manufacturing of high-performance composite parts

www.duqueine.fr

France

EDALIS

new

3D PRINTING Technical Sales Representative

Composite tooling and machining, 3D printing, Aeronautical supplies

www.edalis.net

France

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

ELYOTEC CEO Industrial laser projection solutions for positioning assistance in 3D environments www.elyotec.com <i>France</i>	FAIRMAT Sales Recycling Director Fairmat recycles carbon fiber composites for reuse in composite material applications for a positive global impact. https://www.fairmat.tech <i>France</i>
EPSILON COMPOSITE Sales Engineer Carbon-epoxy pultruded profiles; Finished products made from pultruded profiles www.epsilon-composite.com <i>France</i>	FERONYL SA Business Developer Specializing in ultra-light mechanical components. Manufacturing of lightweight thermoplastic composites, polymers (PEEK, PAEK, PEI, PPS, PPSU, PSU, PA), metal alloys (MIM), ceramics (CIM) and plastic injection. www.feronyl.com <i>Belgium</i>
EUROMERE / GROUPE GAZECHIM <i>new</i> Sales Manufacture of all products based on polyester and vinylester resin (gel coat - Mastics - glues - Resins - coatings - machinable pastes - Barrier coat...) www.euromere.com <i>France</i>	FIBER PROFIL S. L. <i>new</i> R&D Manager Design and manufacturing of composite profiles by pultrusion process <i>Spain</i>
EUROPE TECHNOLOGIES Sales Manager Industrialization and manufacturing of composite and metal parts and assemblies, design and manufacturing of machines and robotic cells integrating our processes: surface treatment, welding, cutting, assembly, machining, sanding, etc. www.europetechnologies.com <i>France</i>	FONDERIE LEMER Head of Design Office Manufacturer of low-melting alloy parts for the manufacture of hollow and complex composite parts. Design and manufacture of fusible cores. www.fonderie-lemer.com <i>France</i>
FABRICA MACHINALE SRL - ROBOTICOM <i>new</i> Sales Area Manager Drive productivity and innovation with our cutting-edge robotic systems designed for your industry's unique needs www.roboticom.it <i>Italy</i>	GACHES CHIMIE SPECIALITES Sales & business manager Distributor of composite materials and chemical solutions; Cutting, drilling, grooving and CNC on core materials; Polyester resin, epoxy, Polyurethane; Reinforcements and prepregs carbon fibers, glass, linen, aramid... www.gaches.com <i>France</i>

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

GAZECHIM COMPOSITES FRANCE

new

Commercial Manager

Distributor of advanced composite materials : woven fabrics or sewed fabrics, preregs, core materials, resins (epoxy, polyurethane, epoxydes, silicones), vacuum products, insulation glass fabrics covered with aluminum or silicone enducted

www.gazechim-composites.fr

France

GDP

Commercial Director

Specialist in the production of profiles in composite materials using the pultrusion process, we offer a wide range of services from study, calculation, design to industrial production.

www.gdp-sa.fr

France

GEBE2 - EUROPE TECHNOLOGIES

Sales Manager - GEBE2

Robotization of finishing processes on metal and composite parts (machining, drilling and micro-drilling, deburring, chamfering, sanding, weld shaving). Rapid handling, packaging of food products by robot.

<https://gebe2-et.com/>

France

GROUPE CARBOMAN - MULTIPLAST

Managing Director

Studies and production of tools and parts in composite materials in the aeronautics, defense, nautical, naval and construction sectors. Large-scale production means.

www.carboman.eu/fr/

France

GROUPE MKAIR

new

President

Manufacturing of high-precision mechanical parts in small and medium series for the aeronautics, defense and space sectors

www.mkair.fr

France

HALCYON

CEO

Manufacturer of lightweight structural parts for transport. Implementation of aluminum sandwich materials with complex 3D shapes.

www.halcyon-performance.com

France

HBP GROUP

Technical Sales & Key Account Manager

Design, industrialization & production of ceramic components (CMC-OCMC), technical ceramic solutions and fixing solutions for composite materials.

www.g-hbp.com

France

HEATHCOAT FABRICS LIMITED

Sales Manager

World Class manufacturer of technical textiles & meshes including 3D Spacer fabrics. Supplying an extensive range of performance textiles including off the shelf fabrics and bespoke customer solutions

www.heathcoat.co.uk

United Kingdom

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

HERONE GMBH

new

Managing Director

We develop and produce ultralight composite profiles to enable to go beyond limits. With struts, shafts, and pipes we focus on the next generation lightweight solutions to transfer loads, movements, and fluids across industry sectors.

<https://herone.de/>

Germany

INDUSTRIAS DELTA VIGO, SL

International Sales Director Aeronautics

Delta Vigo has 4 factories in Spain and a total area of 100,000 m² to undertake - 100% in-house - all manufacturing processes for capital goods and flight components in high-capacity facilities and a state-of-the-art machinery park.

www.deltavigo.es

Spain

HEXCUT SERVICES / GROUPE GAZECHIM

Sales Manager

Cutting of Composite Materials

www.hexcutservices.com

France

IOKÉPLASTIC

new

Sales and Development Director

Plastics processing company specializing in the design, industrialization, and marketing of plastic-based solutions. Expert in bio-sourced materials, with a focus on biopolymers.

www.iokeplastic.com

France

HUGUET INGÉNIERIE

CEO

Study and manufacturing of production equipment: machines, robots, automation

www.groupe-huguet.fr

France

IPC CENTRE TECHNIQUE INDUSTRIEL DE LA PLASTURGIE ET DES COMPOSITES

Expert Business Developer

Technical Center for Plastics: Production of direct parts and mold elements in laser fusion; Production of direct parts and mold elements in continuous 5-axis UGV; Design, production and prototyping of MID products...

www.ct-ipc.com

France

ICAM OUEST

new

Head of Business Services

Collaboration with companies to meet their needs in engineering, innovation, research and development as well as continuing or professional training.

www.icam.fr

France

IRT JULES VERNE

new

Business Developer

Research and innovation center dedicated to advanced manufacturing technologies for composite, metals and hybrid structures

www.irt-jules-verne.fr

France

IMCD FRANCE SIEGE

Business Unit Manager Advanced Materials France

Distributor of specialty chemicals. Complete range of high-quality raw materials for the composites industry (glass and carbon reinforcements, polyester resins, catalysts, core materials, prepreps, adhesives, etc.)

www.imcdgroup.com

France

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

ISOMATEX SA

Business Development & Marketing Director

World's leading producer of enhanced volcanic rock filaments (FILAVA TM) for composite materials and technical textiles.

www.isomatex.com

Belgium

JEC GROUP

Director of JEC Magazine

Service Company - Press - Communication

www.jeccomposites.com

France

JEDO TECHNOLOGIES

Sales & Purchasing Director

Cutting and machining by abrasive water jet: All types of materials: composites, elastomers, foams, soft materials, metals - Thicknesses from 0.05 mm to > 300 mm

www.jedotechnologies.fr

France

KNAUF INDUSTRIES

new

Sales Manager

Manufacturer of packaging and technical plastic parts: honeycomb molding, injection, thermoforming and extrusion.

www.knauf-industries.com

France

KREON TECHNOLOGIES

Commercial Director

3D metrology. Manufacturing of 3D measurement solutions with and without contact.

www.kreon3d.com

France

LAP LASER GMBH

Sales manager

Laser projectors for the production, machining and processing of composites; Manufacturing of composite parts by laser projection

www.lap-laser.com

Germany

LE CRENEAU INDUSTRIEL

Sales Manager Europe

Designer and manufacturer of large, customizable 3, 4, 5-axis machining centers for high-speed machining of soft materials (aluminum, plastics, composites, sandwich panels, etc.).

<https://www.creno.com/>

France

LEADGO EUROPE SAS

Site Manager

Sale of vacuum consumables for infusion and oven/autoclave cooking

www.leadgotech.com

France

LOUISON INDUSTRIES

Technical Sales Representative

Manufacturer and finisher of textiles, woven, dyed, coated, adhesive and cut for all sectors of activity.

www.louison.com

France

MATRASUR COMPOSITES

Business Manager

Leader in a variety of processes including projection, RTM casting/injection, PU projection, thermoforming.

www.matrasurcomposites.com

France

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

MÉCANIUM

new

Director

MECANIUM is a testing center for materials resistance and characterization of the mechanical behavior of structures.

www.mecanium.fr

France

NORD COMPOSITES

Manager France

NORD COMPOSITES is a producer and formulator of resins, gel coats, adhesives, and pigment pastes. We are a family business with 35 years of experience in the market.

www.nord-composites.com

France

MINISTERIE VAN BUITENLANDSE ZAKEN

Chief Representative

The Ministry of Foreign Affairs (BZ) makes our Kingdom safer and more prosperous and is committed to a fair and sustainable world.

<https://www.netherlandsandyou.nl/web/france> The Netherlands

NOVA CARBON - MANIFICA

new

Co-founder & CEO

Production of high value-added semi-finished products based on recycled carbon fibers

nova-carbon.com

France

MODELAGE MÉCANIQUE BRITSCH

Business Manager

Design of automotive and aeronautical shaped tools, Mechanical modeling, Large-scale 3 and 5-axis machining, Assembly and mounting of tools, Design model - Prototyping, Control means and models.

www.modelage-mecanique-britsch.fr

France

OMÉGA SYSTÈMES, WEB INDUSTRIES

Marketing & Communications Manager

Cutting, draping and preforming of composite materials: dry fabrics, impregnated fabrics, environmental fabrics

www.omega-systemes.com

France

MODUL TECH

CEO

Prototype and industrial modeling. Study and production of molds, models, mock-ups, all industries / Prototypes and models manufacturing for various industries

www.modul-tech.com

France

ORATECH - EUROPE TECHNOLOGIES

Operational Director of Engineering and Service

Machining of composite materials without delamination (carbon fiber thermosets, thermoplastics) up to 4.5*3*1.5m. ORATECH supports you in your industrialization projects for metal and composite parts.

<https://oratech-et.fr/>

France

MULTISTATION SAS

Business Manager

CAD/CAM, Simulation and New Technologies in Design and Manufacturing

www.multistation.com

France

PLASMA BOUND LTD

Director and Co-Founder

PlasmaBound provides a step-change technology, termed Controlled Polymer Ablation (CPA), which facilitates the structural adhesive joining of lightweight materials, namely carbon and glass fibre reinforced composites.

<https://www.plasmapbound.com/>

Ireland

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

PÔLE EMC2

Operations Manager

Competitiveness center for composites materials

www.pole-emc2.fr

France

PORCHER INDUSTRIES

Communications Manager

Porcher industries, is an international group dedicated to the development and production of innovative products, combining textiles and chemistry for multiple industrial application for many markets.

www.porcher-ind.com

France

RESICARE - MICHELIN ENGINEERED POLYMERS

Business Explorer

Study, formulation and manufacture of non-toxic and bio-sourced resins

www.resicare.com

France

ROCHLING INDUSTRIAL NANCY

Business Development Manager

Fabrication of composite boards and machining. Fabrication of composite compression parts: SMC/BMC and pultrusion.

<https://www.roechling.com/>

France

ROTH COMPOSITE MACHINERY GMBH

new

Sales and Project Manager

Roth is an international manufacturer of energy and sanitary systems with offices worldwide. We offer established brand products in a three-stage distribution channel.

www.roth-composite-machinery.com/de/

Germany

SAMARO

Composite Range Manager

Distributor of glues and adhesives, molding silicones, resins and composites for industry.

www.samaro.fr

France

SAT THERMIQUE

Marketing Department

Designer and manufacturer of standard and custom industrial thermal equipment. Rental and sale of used thermal equipment.

www.sat-thermique.com

France

SICOMIN COMPOSITES

Sales Manager

Manufacturing of epoxy systems, distribution of a wide complementary range of core materials, structural reinforcements, fillers, consumables, for the composites industry.

www.sicomin.com

France

SIGMEO

CEO

Distributor of composite structure calculation solutions in linear and nonlinear statics (Délimage). SIGMEO is developing its Simcenter digital simulation portfolio: FEMAP, NASTRAN, SAMCEF, HEEDS, STAR-CCM+, 3D

<https://www.sigmeo.fr/>

France

SIKA ADVANCED RESINS

Technical Project Manager Composites

Development, production, and sale of epoxy resins for composites, structural polyurethane and epoxy adhesives for all types of industries.

<https://fra.sika.com/>

France

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

SISCO COMPOSITES

CEO

Specializing in the manufacture of prototypes and small series of composite material parts.

www.sisco-composites.fr

France

SONIMAT - EUROPE TECHNOLOGIES

Sales

Cutting and welding solutions for composites: - portable ultrasonic cutting and welding system - range of ultrasonic cutting and surfacing effectors - Automated cutting machines

www.sonimat.com

France

SMAF - SOLIDSAIL MAST FACTORY

new

Operations Director

SolidSail Mast Factory is an innovative SME, winner of the France 2030 competition, which manufactures very large parts using highly automated technology. (carbon masts, intended for the sail propulsion of cruise ships and cargo ships, etc.)

France

SPHERETEX GMBH

new

Sales Business Developer

Develop and produce laminatable core materials for various kinds of composite applications for more than 25 years.

www.spheretex.de

Germany

SNE SMM - SMM COMPOSITES

new

President

Manufacture of molds, parts and tools

<https://smm-composites.com/>

France

STOPP COMPOSITES

new

General and Technical Director

Assembly solutions, structural adhesives, fastening inserts, CNC cutting machines, solid carbide and diamond machining tools.

www.stopp-grp.oxatis.com

France

SOBELCOMP SPRL

Sales Manager

Sobelcomp supports you at every stage of your composite materials project development. From computer-aided design to finishing, including manufacturing, robotic machining, and assembly.

www.sobelcomp.be

Belgium

SOLICO ENGINEERING B.V.

new

Managing Director

Composite Structural Engineering in the Defence, Maritime, Industry and Civil & Architecture industries

www.solico.nl

The Netherlands

STYL'MONDE SA

new

Sales Manager

An expert in thermoforming for over 65 years, STYL'MONDE specializes in the thermoforming of thick plastic parts using vacuum and pressure, as well as the assembly of complex subassemblies. Our 16 production lines, with a molding capacity of up to 2,800 x 1,600 x 800 mm, allow us to process the most common thermoplastics (ABS, ABS PMMA, ABS 'soft touch', PS, PC, PMMA, ASA, PETG, PE, PP, PVC, etc.), including transparent materials. We are able to process both virgin and recycled materials. We operate in all areas: medical, automotive (buses, heavy goods vehicles, industrial vehicles, electric vehicles), rail, aeronautics, construction and agricultural equipment, various hoods.

www.stylmonde-thermoformage.com

France

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

SUCHIER SAS

CEO

Carbon and composite material machining

www.suchier.com

France

TANIQ

new

Director

Filament winding and AFP design, analysis and production software, as well as robotic winding and AFP production cells.

www.tanig.com

The Netherlands

TEAM PLASTIQUE

Business Manager

Thermoforming and assemblies

www.teamplastique.com

France

TECHNI MODUL ENGINEERING

European Sales Manager

Design and production of production means for the manufacture of composite parts / Industrialization of the manufacturing process for parts made from composite materials.

<https://www.tme-composites.com/>

France

TECNALIA FRANCE

new

Business Manager France

BAGAN - Development of a thermoplastic composite frame for the future of construction

www.tecnalia.com

France

TENSYL

CEO

TENSYL is an engineering firm that has been providing consulting, structural design, and construction services for 15 years. TENSYL specializes in structures that partially or fully utilize composite materials.

www.tensyl.com

France

TESTIA S.A.S.

PDL Agency Manager

TESTIA is an d'Airbus company with over 30 years of experience and specializes in structural integrity and non-destructive testing (NDT).

www.testia.com

France

TORAY ADVANCED COMPOSITES

Sales Manager Europe

Advanced thermoset and thermoplastic composite materials

<https://www.toraytac.com/>

The Netherlands

TSUDAKOMA EUROPE

new

CFO

Manufacturing of Composite machines. Slitting service.

www.tsudakomaeurope.com

Italy

VANGUARD CLEAN BV

new

CEO

Renowned companies such as Boeing, Airbus and Cranchi have been using it for 25 years to full satisfaction. RST-5 is cost effective, 100% solvent free, intrinsically safe and compliant with international regulations.

<https://rst-5.com/>

The Netherlands

Preliminary List of Exhibitors Composites Meetings 2025 - 08/09/2025

VISIONERF

Sales manager

Visionerf is the French specialist in industrial vision and 3D solutions: control and inspection, sorting, and measurement.

www.visionerf.com

France

VOMBAUR GMBH & CO KG

new

Development Engineer

Producer of narrow woven textiles as base material for composites

www.vombaur.de

Germany

XENIA MATERIALS

new

Key Account Manager

Xenia Materials engineers and manufacturers high performing reinforced thermoplastic composites, formulated for Injection Mould and 3D Printing, both in pellet and filament formats.

www.xeniamaterials.com

Italy
